PK3 & PK4 SUMMER READING ASSIGNMENT

“DEAR” Parents and Students:

At READY Academy, it is our goal as well as our expectation that every student acquire competency in reading. The summer reading program is one of the essential tools we utilize to fulfill our goal. Research has documented that over the summer break many students lose crucial academic skills. However, research has further shown that students who participate in a reading program are more academically advanced than non-reading students. This year READY Academy is allowing parents to make the selections that are age appropriate, enriching, and on your child’s grade level.

On the Friday of the first week of school your child

- Must Be Able to Discuss the Books Read AND
- Students Will Receive Points for Each Book Discussed

The More They Read and Discuss -- The More Points Earned!

Blessings,

Amanda B. Murray
