

PK3 SUMMER READING LIST

“DEAR” Parents and Students:

At READY Academy, it is our goal as well as our expectation that every student acquire competency in reading. The summer reading program is one of the essential tools we utilize to fulfill our goal. Research has documented that over the summer break many students lose crucial academic skills. However, research has further shown that students who participate in a reading program are more academically advanced than non-reading students. READY Academy provides this selection of books to help families in making positive educational choices for our students. The selections enclosed are appropriate, enriching, and selected according to grade level.

We require each student to read the required reading and do the assigned book review. It will be due on the Friday of the first week of school. We have also provided a recommended reading list for the students' pleasure...Have a DEAR summer; take time to “DEAR” ... **D**rop **E**verything **A**nd **R**ead!
